Clinch Valley News. THE PRESIDENT'S STRENGTH. | been a marked falling off in the num- CLINCH VALLEY RAILROAD ber of callers from the various States and Territories. "The withdrawal of railroad passes has pretty effectually stopped the coming of delegations constant discussion of political af and of individuals to urge appointments and press claims here. Before the inter-state law went into effect form the favorite topic. The verdict there wasn't a day passed that he among political wiseacres is that the didn't have delegations and individuals here for one purpose or another. They would come from the Pacific coast and the far Northwest. But now, since free passes have been canceled, we don't have many such

In a decision upon the accounts in certification by a public officer that establish it, when it appears upon the face of the vougher that the corthing more than a condition of things which renders a particular line of action expedient. It involves a state of the right of a soldier to extra duty pay becomes fixed, and cannot be defeated by the failure of Congress to make an appropriation for its payment. His claim against the government is valid under the statute.

Public attention here is now con centrating upon the National Drill to be held in May. The color-line crisis malitia, and of all who love the military, is almost upon us. Washington, fresh and charming in her new spring

DEMOCRATS ARE HAPPY.

The New York Tribune thinks the not much. The Democrats are as happy as a woman in a spring bonnet and this side of Heaven, nothing can surpass that state of bliss .- [Troy

Col. Randolph Harrison, the State Commissioner of Agriculture, will have many interesting things to say to the agriculturists in his forthcom ing report. The Commissioner will call attention to the profit that could be derived by the Virginia farmers from breeding borses and mules for market. He says there is a constant demand for good hores, both in this country and Europe.

No sensational paper boom in Taze well-but a real, genuine energy and studied purpose are at work; and conservative progress is being made
